STRANGE, AARON N

ART UNIT	PAPER NUMBER
----------	--------------

2153

DATE MAILED: 10/20/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

1. The reply filed on 7/27/2005 is not fully responsive because it fails to include a complete or accurate record of the substance of the telephone interview held on approximately 7/22/2005, as no summary appears in the 7/27/2005 response. The exact date of the interview was inadvertently omitted from the interview summary form entered by the Examiner, and the Examiner cannot recall the date at the present time, but the form was mailed on 7/22/2005. If Applicant is aware of the exact date of the interview, the data should be included in the interview summary in response to this notice.
2. The reply filed on 7/27/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has failed to address the rejections of claims 1-28 and 30-37, over the combination of Jordan (US 6,438,652) and Pistriotto (US 6,138,162) alone and in further combination with various other references, originally presented in the Office action of 11/9/2004, and maintained in the Office action of 4/11/2005 (§9 of 4/11/2005 Office action). See 37 CFR 1.111.
3. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Aaron Strange whose telephone number is 571-272-3959. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glen Burgess can be reached on 571-272-3949. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
